

Spaulding Memorial Library Game Club

I am trying to determine interest in a gaming club to be held at the Library on weekly or monthly basis. At the moment, I'm open to all suggestions depending on level of interest regarding age groups, types of games, and regularity of meetings. Please read through the list below, and check off any game types you would be interested in trying out or playing.

- Role playing games, like Dungeons and Dragons, Star Wars, etc
- Family Board Games – Monopoly, Clue, Life, etc.
- Strategy Board Games (for lack of a better term) – Red Dragon Inn, Cutthroat Caverns, Munchkin
- Miniature Games – Heroclix, Star Wars, Dungeons and Dragons, etc.
- Other – Please specify: _____
